

## RYA NEY Speed League

### **More Adults, More Windsurfing, More Often... with more speed**

Upt' North we'd like to inspire more windsurfers to go afloat more often. We know how much windsurfers love speed, so we hope that the **RYA North East & Yorkshire Speed League** will encourage more activity and some fast friendly competition (with prizes) in the region!

### **The plan:**

**We are pleased to offer RYA Affiliated clubs and RYA Recognised Training Centres in the North East & Yorkshire the opportunity to purchase a GPS pack for just £69.50!**

This GPS pack has everything your windsurfers need to record their speeds and enter the league. This cost has been discounted by Juice Boardsports and 50% match funded by the RYA. The unit alone usually retails at £114.95, so this is a great opportunity/bargain, not to be missed!!

### **The Pack:**

We have put together a pack to enable your windsurfers to go afloat in attempt to record the fastest GPS speed and enter it online in the NEY Speed league. The pack includes:

- A Navi Genie GT-31 GPS, as used by all the pro's and the only official unit of the world GPS speedsailing organisation
- An aqua pack for the GPS
- Two digital memory cards
- How2Guide – simple step by step details on entering the league
- And a couple of posters to help you promote the league to your windsurfers

### **What you need to do to get involved:**

- Read the attached 'Information on NEY Speed League' to give you more information on the format etc.
- Discuss the league and purchase of the pack with your club/centre committee/management
- Complete the application form attached and post with your cheque to the address on the form **by the 9<sup>th</sup> of July**

Your discounted GPS pack will then be sent or ready for collection on the 15<sup>th</sup> of July and you can get started recording your speed times!

**Please express your initial interest to Helen Bainbridge ASAP: [NEYSpeed@live.co.uk](mailto:NEYSpeed@live.co.uk)**

*Looking forward to seeing the NEY Speed League in action*

*Suzie Blair – RYA Regional Development Officer, North East & Yorkshire*

## RYA NEY Speed League

### How it will work >>>

We'd really like all the club windsurfers in the North East and Yorkshire/Humber to get involved the league. There are no kit restrictions, just sail fast in a straight line with the GPS attached.

To get the times on to the **RYA NEY leader board** it's really simple; all windsurfers have to do is post their times on the official speed sailing website: [www.gps-speedsurfing.com](http://www.gps-speedsurfing.com)

- This is done by uploading data from the GPS unit on to the website
- Each member would create their own user account
- We envisage that to make this easier each member will have their own SD card that they can put into the club GPS system, that way they can take their data home and upload it in their own time.

That's all they have to do (sail fast and upload their time!). We will then update their time on the RYA leader board, which will be on the RYA North East Regional Website:

<http://www.rya.org.uk/regions/northeast/Pages/NorthEastRegion.aspx>

If they would like to tell us more and share a bit about the equipment, conditions, send us photos etc. there will be the opportunity to do so on the NEY RDO facebook page: [RYA North East & Yorkshire RDO](#)

Clubs can also ink this page on their own websites so members can easily see who is winning. You can also create your own mini league by simply setting up a leader board at the club house.

There will be prizes awarded at the **RYA End of Season BLAST**.

### Get involved>>>

- **Complete the attached 'application form' and send it off with a cheque by the 9<sup>th</sup> of July**
- **It would also be very helpful if you could email Helen ([NEYSpeed@live.co.uk](mailto:NEYSpeed@live.co.uk)) ASAP to let to express your interest.**

We'll send you, along with the GPS packs; a couple of posters to display encouraging windsurfers to get involved and a simple 'How2Guide' with all the technical information and advice on the speed league and getting involved.

The unit will be fully set up and ready to use before being sent to you and will arrive with all the information needed to get involved in the GPS challenge.

The packs can either be collected from Juice Boardsports or can be delivered to a postal address of your choice, please give details on your application form.

If you require the packs to be posted they will be sent by special recorded delivery, this will cost £10.

**All application forms and Cheques must be sent before the 9th July!**

**Please note:** The contact for all RYA NEY Speed League enquiries is **Helen Bainbridge**, OnBoard Coordinator and Regional Club Coach: [NEYSpeed@live.co.uk](mailto:NEYSpeed@live.co.uk) 07825212985
